

December 7, 1956.

Hon. John Cashmore,  
President of the Borough of Brooklyn,  
Borough Hall,  
Brooklyn, N. Y.

Dear John:

Thank you for your letter of December 6th. I have acknowledged Mrs. Kronenberg's letter as per copy attached.

We had a fine trip and our stay in Rome was much more enjoyable because of the beautiful books on Rome that you had given Terry after you and Edythe returned.

Sorry there was not better news on my return regarding the stadium but let's be patient a bit longer and if things do not seem to be working out we will have to be practical and reluctantly go elsewhere.

Sincerely,

Walter F. O'Malley,  
President.
