Dear Charlie:

I just received a press release dated July 9, 1957 and photographs. This has to do with the type of stadium San Francisco is offering the New York Giants. This material is being sent to you for your inspection, after which I would like to have you return it for our files. This shows the extent to which cooperation can be had. It's in some contrast to our local situation here.

I do want you to read my testimony before the Congressional Committee on this subject.

Sincerely,

WFO'M/f
