

File Memorandum re Brooklyn Stadium

September 10, 1957.

Mr. Mylod's Brooklyn Sports Center Authority proposal is to come up for consideration before the Board of Estimate on September 18th. Mr. Mylod and I are concerned about a letter that Commissioner Robert Moses wrote to Peter Campbell Brown dated I believe August 28, 1957, in which Commissioner Moses kills the Atlantic & Flatbush Avenue site and persists in making a play for the Flushing Meadow site in Queens. This is a further bit of sabotage which together with the recent quotes of Abe Stark, City Council President, indicates that there is no sincere administration desire to work out a solution here in Brooklyn.

Walter F. O'Malley.
