1000 Elysian Park Ave.
Los Angeles, California 90012

Dear Mr. O'Malley:

Thanks for helping to make the Jackie Robinson Day a big success, at least for my family. Red Patterson was of great help and we feel his know how made things fit better into place.

I am told everyone considered the day a success; much of it was due to your cooperation.

Rachel sends her best wishes and thanks as well.

Regards to Mrs. O'Malley and the family.

Sincerely yours,

Jackie
