

THE VICE PRESIDENT
WASHINGTON

May 23, 1966

Dear Walter:

I want you to know how pleased I am that the Dodgers will be making a tour of Japan this Fall. I know you realize Walter that it is especially important that all the Dodger players make this trip. As you well know, these visits to Japan are an important part of our American foreign relations. I would hope that the Japanese fans could avoid the disappointment of missing any of the Dodger players.

Please keep me posted on the progress of your trip. I know the Dodgers will be wonderful American representatives overseas.

With best wishes.

Sincerely,

A handwritten signature in cursive script that reads "Hubert H." followed by a stylized "H.".
