THE WHITE HOUSE  
WASHINGTON

Dear Peter

I was pleased to see that  
The Hall of Fame inducted  
your Dad yesterday. It  
is a fitting honor for a  
man and family whose  
name says Dodger baseball.  
He loved the game, he respected  
the game and he added  
value to the game.

I know this is a proud  
moment for you and  
your family. Congratulations.

Truly,  
George W. Bush
