Triborough Bridge and Tunnel Authority,
Triborough Station,
Box 35, N.Y.C.

Dear George:

Thanks for your letter. I agree with your lawyer's interpretation of the law.

It might help to clear up what I am driving for if I enclose copy of reply letter I wrote Bill Tracy. All I want at this time is to talk this out. We need a new ball park and I want advice from a few people whose opinions would help me.

And George, I am still thinking about a privately financed, owned and operated stadium.

Sincerely,

Walter F. O'Malley,
President.
