

New York

December 17, 1953.

Robert Moses, Chairman,
Triborough Bridge and Tunnel Authority,
Randall's Island,
New York 35, N. Y.

Dear Bob:

Phil Wrigley send me a copy of a report on major league
baseball possibilities in Los Angeles. I thought you might like
to thumb through it at your leisure. There is nothing startling
in the report but it does present a point of view.

Can we have a talk after the holidays on my problem.

Sincerely,

Walter F. O'Malley,
President.
