Hon. John Cashmore,  
President of Borough of Brooklyn,  
21 Borough Hall,  
Brooklyn, N. Y.

Dear John:

Enclosed is letter I received from your friend, Wayne Hall in Texas.

Can we get together for a serious talk on the stadium. Our situation is really acute. We were also unhappy to learn this morning that the admissions tax which we understood from Mayor Wagner to be temporary until State relief was granted, is not one of the "nuisance" taxes he plans on abolishing. You fix the date and I will be there.

Best to you John, and to Edythe.

Sincerely,

Walter F. O'Malley,  
President.
