Col. Sidney H. Bingham,
Board of Transportation,
370 Jay Street,
Brooklyn, N. Y.

My dear Colonel:

Confidentially, we are giving some thought to the site at Horace Harding Blvd and Junction Avenue, Queens. Would you be good enough to informally advise me if bus and subway transportation to that location could be expected to be adequate to cover the needs. We are only making a preliminary study. Of course, this would have to be entre-nous. Thank you.

Sincerely,

Walter F. O'Malley,
President.
