

January 11, 1957.

Hon. John Cashmore,
President of the Borough of Brooklyn
Borough Hall,
Brooklyn, N. Y.

Dear John:

Thank you for referring the Rickerson letter to me. I have answered it as per the enclosed.

On the matter that you and I have been interested in for so many years it would appear to be in a critical state with little practical hope for a quick recovery.

Sincerely,

Walter F. O'Malley,
President.
