The Dodger plane will leave Vero Beach at 8:00AM sharp for Miami to meet this party. The bus will leave the kitchen area at 7:45 sharp. Coffee and coffee cake will be served on the plane. The Los Angeles writers would like to make the trip to Miami to interview them on the way from Miami to Vero Beach. All Brooklyn writers and photographers are invited to make the trip if they so desire.

After the Los Angeles party arrives at Dodgertown, they will be taken on a tour of inspection. They will then be guests of Dodger Director, Bud Holman, at his fishing and hunting camp, from which point the party will return directly to the Press Room for a press conference. The time for this conference will be 5:00 PM. Following dinner the party will be returned to Miami.
