VICE-MAYOR
1951-1955

A MAJOR LEAGUE BASEBALL TEAM IS
WANTED FOR THE CITY OF OAKLAND.

If and when your Major League Baseball Team considers moving to the Pacific Coast, the City of Oakland is very anxious to offer you a new home.

We can offer two suitable Ball Park sites, close in to East Oakland alongside the Oakland-San Francisco Freeway, twenty-five minutes from downtown San Francisco. Each site containing a minimum 30 acres.

We have financing available and so stated in writing from private sources who will build a first-class, dome covered Ball Park, with a minimum of 45,000 seats.

Oakland is 8-10 degrees warmer in climate than the west side of San Francisco Bay, which is near the ocean, and also Oakland is the county seat of the second largest county in the State of California. Los Angeles County being the largest.

The Ball Park to be constructed will take into consideration many of your special desires and would be available for your use in the first quarter of 1959.

If you are at all interested, please contact us and we assure you that all correspondence and information will be held in the strictest of confidence as per your instructions.
