Dear Mr. O'Malley:

This is to advise you that you were elected to the Board of Directors of the Big Brothers of Greater Los Angeles, Inc., at its annual business meeting on January 10, 1962.

Speaking for the board and staff, let me state that all of us were highly pleased in having you join us. While we would have liked to have had you for our President, we appreciate and respect your feelings, and we believe we are fortunate in having you on the board.

We feel that our Directors are a great group of men and I am certain you will find them to be congenial.

Joe Brodine mentioned your offer to help in our selection of a new President and your recommendation of Mr. Reynolds as a good prospect. This is appreciated very much. The new Nominating Committee will be in action soon and you may be certain this information will be in their hands.

It is my hope that I can become personally acquainted with you soon. I will call your secretary for an appointment at your convenience. Meanwhile, if there is any need for information about the board or program, I hope you or your staff will feel free to contact us.

Sincerely,

Warren S. Woodall
Executive Director
