Miss Rosalind Wiener Wyman,
Councilwoman - 5th District
City Council - City of Los Angeles
City Hall
Los Angeles, 12, Calif.

Dear Miss Wyman:

I have your letter of September 1st as well as the telegram to which you refer. Of course, I read about the telegram in the newspapers before receiving it, and I assumed it was part of a publicity stunt.

I doubt very much that I could see you during the period when you will be in New York as we will all be preoccupied in concluding this year's pennant race and preparing for the World Series. At a later date perhaps there might be an occasion when a meeting would be appropriate.

Los Angeles at present has two teams in organized baseball, and we would not want to be a party to any publicity which might be construed to be detrimental to their franchises.

Yours truly,

WFOM/f
