Los Angeles 17, California

Dear Walter:

Thank you for your note inviting me to
the Chavez Ravine groundbreaking.

I would be happy to bring my own shovel
but I wore it out shoveling the "bull" of the
opposition out of the City Council Chambers.
Maybe we'll get a salary raise one of these
days and I can afford a new shovel.

Kindest regards,

John S. Gibson, Jr., President
Los Angeles City Council
