Dear Vince:

Your letter of September 18th to Walter O'Malley has just come to my desk. He is snowed under, otherwise he would have answered it personally and I know you will understand.

We contacted Commissioner Frick on your idea and he tells us there is a definite policy against ceremonies of this nature at the World Series.

Hope we can have a session during the World Series and, as you know, Walter will be only too glad to discuss the L.A. situation with you, off the record, but as of now we've got something started in Brooklyn which we plan to see right down to a conclusion.

Will be seeing you at the Series.

Best.

Sincerely,

A. E. Patterson
